

Press Release

Ref: TAT2

**Tête à Tête celebrates its first anniversary.**

Tête à Tête is the stylish and exciting French influenced coffee shop in the Paddington / Hyde Park Estate.

Located close to Paddington station the owner has created a warm and welcoming coffee shop and tea house for visitors and locals alike.

Tête à Tête prides itself on being able to offer a wide range of cakes, sandwiches, teas and coffees that are good value. Soya milk is offered as an alternative and gluten free cakes have just been added to the menu.

The coffee shop was started by a successful dentist who has a love for good coffee.

Tête à Tête's prices are highly competitive and a loyalty card is offered to all customers. In addition, St Mary's staff and OAPs receive, on production of a valid ID, a 10% discount.

The owner of Tête à Tête sources its supplies from family owned producers, makes all sandwiches and the ever popular cheese cake in house, and only serves fair trade coffee.

Emilie Szasz, Managing Director and founder of Tête à Tête commented "Tête à Tête is the only coffee shop in the Paddington / Hyde Park Estate neighbourhood that provides good value food and drink in a friendly and stylish family run environment. The first year has seen a loyal fan base grow and we look forward to welcoming you."

Additions in the year ahead will include free wireless internet.
